WELLNESS

WELLNESS

Parents/guardians will be notified of the student's absence and the student's academic status.

TUSD Staff Notification

Prioritize and excuse assignments based on medical needs. Parents, student, and other involved support staff will be notified of the absence.

- Be prepared to help student accommodate appropriate IRL and ADA sensitivity
- REMEMBER: Student may not be able to self-advocate
- All the student's assignments should be made available to the student
- Provide past assignments & materials as needed

Anticipate occasional absences

Set a schedule for the completion of any work that will not be excused

For new work, academic expectations can be back to work

REMEMBER: most students can not make up ever

Back to school academic expectations
